Dear Pranav,

Thank you for your interest in joining Startupbootcamp as a mentor. We are thrilled to have you on board!

To ensure a smooth onboarding process and help you make the most of your mentorship experience, we've outlined the next steps:

1. 📖 **Read the Mentor Manifesto and Mentor Masterclass:** Take some time to familiarize yourself with our Mentor Section on [our website](#), which provides valuable insights into our program and what mentoring is all about. You'll find a brochure with additional information [here as well](#). Before each accelerator begins, we host Mentor Masterclass sessions and encourage new mentors to join one before starting to mentor our startups. You can select one of the upcoming dates: [January 16](#) & [January 21](#). Please sign up for one session.
2. 🧑 **Complete Your Profile on Matching Stars:** Matching Stars, our mentor matching platform, allows you to view startup profiles, express interest in mentoring specific startups, and helps you communicate effectively with the startups throughout the program. [Access your profile here](#). (If you're unable to access it immediately, please allow up to 24 hours for your access to be activated. If you experience any issues, feel free to contact support@startupbootcamp.org.)
3. 🌐 **Join the LinkedIn Mentor Group:** Introduce yourself, connect with fellow mentors, share experiences, and engage in meaningful discussions by joining our exclusive [LinkedIn Mentor Group](#). It's a great space for networking and learning from others.
4. 📅 **Stay Updated With Our Events:** Keep track of all our upcoming global events and important dates for mentors here: <https://lu.ma/startupbootcampcalendar>
5. 📧 **Stay Tuned with 'Mentor Matters':** You'll automatically be subscribed to our monthly letter, 'Mentor Matters,' where we'll keep you updated with news, mentor resources, and upcoming events across our global community.
6. 🏆 **Show Off Your Mentor Role:** You're officially part of our mentor community! Feel free to add this [dynamic badge](#) to your LinkedIn profile and let your network know about your new role. We'd love to see your post—don't forget to tag us! ([Here's how to add it](#))

If you have any questions or need further assistance, feel free to reach out. I'm here to support you every step of the way!

Thanks again for joining us—we're excited to start this journey with you and look forward to seeing the positive impact you'll have on our startups!

Best Regards,

Rodrigo & The Startupbootcamp Team
