Dear Pranav Khare,

Your membership in Hackathon Raptors is officially confirmed. We recognize your impressive background in product management, particularly your work on AI/ML-driven solutions like Risk-Based Verification at DocuSign. Such contributions align effectively with our mission to harness technology for social impact.

Your experience leading initiatives like the Pandemic Electronic Benefit Transfer reflects our commitment to addressing real-world challenges. We look forward to your active participation in advancing our shared goals and collective efforts to innovate and empower communities globally.

Sincerely,

Xenia Anufrieva
Company Secretary
