"I had a case to enable DS KBA Auth & questions about the product & what needed to be enabled. I asked in the KBA channel. I wasn't expecting an answer after 7 PM and Pranav replied. He ensured that I enabled the correct features. I had questions & asked if we could huddle and he said yes. We huddled about the different products. He took time out of his evening to help me. He was so gracious, kind & patient. He also helped with another issue w/the same cx the following day & went above & beyond."
