Hi Pranav,

We are delighted to welcome you to the AI Frontier Network as our newest Ambassador. Your expertise and passion for AI make you a valuable addition to our community.

To secure an Ambassador spot, please use the invite code (your name) to invite 1 to 5 relevant members to [become ambassadors](#) (offer valid for 14 days starting from today).

- This role offers an enhanced level of engagement and recognition in our community.
- Please ensure that the people you invite align with the [ideal ambassador profiles](#).
- Ambassador spots are limited.

As we build our community, your role is pivotal. Please refer to the following guidelines for inviting new members: [Invitation Guidelines](#).

Once done, we kindly request that you add your new role as "Ambassador at [AI Frontier Network](#)" to your LinkedIn profile (see [instructions here](#)). You may also want to add a description to the role, for example: *Proud to be part of a group of tech and business leaders driving innovation and education in the AI field, while inspiring others to contribute to this transformative revolution.*

Once your profile is updated, **please inform us by submitting form on this page**.

We will then proceed to add your profile as [Ambassador](#) (typically within 2 business days), highlighting your contributions to the network.

Thank you for your involvement, and we look forward to your active participation.

Have a wonderful day!

Best,

AIFN Team
